| Custom    | Sizes, finishes, marking, packaging            |
| Packaging | Standard / Individual / Custom / Private-label |
| MOQ       | Confirm in RFQ                                 |
| Lead time | Confirm in RFQ                                 |

◆ CUSTOMIZABLE ◆ OEM / ODM

## Vannas Capsulotomy Scissors — Curved

Code: MS-EYE-003 | Eye Scissors | Cataract Surgery

Micro scissors for anterior capsulotomy. Ultra-fine curved blades.

|           |                                                |
|-----------|------------------------------------------------|
| Material  | Stainless Steel                                |
| Finish    | Satin Finish                                   |
| Sizes     | Standard                                       |
| Custom    | Sizes, finishes, marking, packaging            |
| Packaging | Standard / Individual / Custom / Private-label |
| MOQ       | Confirm in RFQ                                 |
| Lead time | Confirm in RFQ                                 |

◆ CUSTOMIZABLE ◆ OEM / ODM

## Westcott Conjunctival Scissors

Code: MS-EYE-004 | Eye Scissors | Oculoplastic Surgery

Blunt-tipped conjunctival scissors for delicate periorbital dissection.

|           |                                                |
|-----------|------------------------------------------------|
| Material  | Stainless Steel                                |
| Finish    | Satin Finish                                   |
| Sizes     | Standard                                       |
| Custom    | Sizes, finishes, marking, packaging            |
| Packaging | Standard / Individual / Custom / Private-label |
| MOQ       | Confirm in RFQ                                 |
| Lead time | Confirm in RFQ                                 |

◆ CUSTOMIZABLE ◆ OEM / ODM

## Barraquer Eye Speculum — Wire

Code: **MS-EYE-005** | **Eye Speculums** | **Ophthalmic Surgery**

Wire eyelid speculum for exposure during anterior segment procedures.

|           |                                                |
|-----------|------------------------------------------------|
| Material  | Stainless Steel                                |
| Finish    | Satin Finish                                   |
| Sizes     | Adult, Pediatric                               |
| Custom    | Sizes, finishes, marking, packaging            |
| Packaging | Standard / Individual / Custom / Private-label |
| MOQ       | Confirm in RFQ                                 |
| Lead time | Confirm in RFQ                                 |

◆ CUSTOMIZABLE ◆ OEM / ODM

## Jameson Muscle Hook

Code: **MS-EYE-006** | **Ophthalmic Hooks** | **Strabismus Surgery**

Muscle hook for isolation of extraocular muscles in strabismus procedures.

|           |                                                |
|-----------|------------------------------------------------|
| Material  | Stainless Steel                                |
| Finish    | Satin Finish                                   |
| Sizes     | Standard                                       |
| Custom    | Sizes, finishes, marking, packaging            |
| Packaging | Standard / Individual / Custom / Private-label |
| MOQ       | Confirm in RFQ                                 |
| Lead time | Confirm in RFQ                                 |

◆ CUSTOMIZABLE ◆ OEM / ODM

## Desmarres Lid Retractor

Code: MS-EYE-007 | Lid Instruments | Ophthalmic Examination

Saddle-shaped lid retractor for examination and minor lid procedures.

|           |                                                |
|-----------|------------------------------------------------|
| Material  | Stainless Steel                                |
| Finish    | Satin Finish                                   |
| Sizes     | Size 1, Size 2                                 |
| Custom    | Sizes, finishes, marking, packaging            |
| Packaging | Standard / Individual / Custom / Private-label |
| MOQ       | Confirm in RFQ                                 |
| Lead time | Confirm in RFQ                                 |

◆ CUSTOMIZABLE ◆ OEM / ODM

## Sinsky Lens Manipulating Hook

Code: MS-EYE-008 | Ophthalmic Hooks | Cataract Surgery

Angled hook for lens manipulation and IOL positioning. Knurled handle.

|           |                                                |
|-----------|------------------------------------------------|
| Material  | Stainless Steel, Titanium                      |
| Finish    | Satin Finish, Matte Finish                     |
| Sizes     | Standard                                       |
| Custom    | Sizes, finishes, marking, packaging            |
| Packaging | Standard / Individual / Custom / Private-label |
| MOQ       | Confirm in RFQ                                 |
| Lead time | Confirm in RFQ                                 |

◆ CUSTOMIZABLE ◆ OEM / ODM

## Castroviejo Corneal Scissors

Code: MS-EYE-009 | Eye Scissors | Corneal Surgery

Angled micro scissors for corneal section, suture cutting and stitch removal.

|           |                                                |
|-----------|------------------------------------------------|
| Material  | Stainless Steel, Titanium                      |
| Finish    | Satin Finish, Matte Finish                     |
| Sizes     | Standard                                       |
| Custom    | Sizes, finishes, marking, packaging            |
| Packaging | Standard / Individual / Custom / Private-label |
| MOQ       | Confirm in RFQ                                 |
| Lead time | Confirm in RFQ                                 |

◆ CUSTOMIZABLE ◆ OEM / ODM

## Stevens Tenotomy Scissors

Code: MS-EYE-010 | Eye Scissors | Oculoplastic Surgery

Blunt-tipped scissors for tenotomy and delicate periorbital dissection.

|           |                                                |
|-----------|------------------------------------------------|
| Material  | Stainless Steel                                |
| Finish    | Satin Finish                                   |
| Sizes     | Standard                                       |
| Custom    | Sizes, finishes, marking, packaging            |
| Packaging | Standard / Individual / Custom / Private-label |
| MOQ       | Confirm in RFQ                                 |
| Lead time | Confirm in RFQ                                 |

◆ CUSTOMIZABLE ◆ OEM / ODM

## Strabismus Scissors

Code: MS-EYE-011 | Eye Scissors | Strabismus Surgery

Sturdy curved scissors for cutting extraocular muscle and Tenon's capsule.

|           |                                                |
|-----------|------------------------------------------------|
| Material  | Stainless Steel                                |
| Finish    | Satin Finish                                   |
| Sizes     | Standard                                       |
| Custom    | Sizes, finishes, marking, packaging            |
| Packaging | Standard / Individual / Custom / Private-label |
| MOQ       | Confirm in RFQ                                 |
| Lead time | Confirm in RFQ                                 |

◆ CUSTOMIZABLE ◆ OEM / ODM

## McPherson Suture Tying Forceps

Code: MS-EYE-012 | Ophthalmic Forceps | Microsurgical Suturing

Straight tying forceps with a smooth platform for secure microsurgical knots.

|           |                                                |
|-----------|------------------------------------------------|
| Material  | Stainless Steel, Titanium                      |
| Finish    | Satin Finish, Matte Finish                     |
| Sizes     | Standard                                       |
| Custom    | Sizes, finishes, marking, packaging            |
| Packaging | Standard / Individual / Custom / Private-label |
| MOQ       | Confirm in RFQ                                 |
| Lead time | Confirm in RFQ                                 |

◆ CUSTOMIZABLE ◆ OEM / ODM

## Iris Forceps 1×2 Teeth

Code: MS-EYE-013 | Ophthalmic Forceps | Anterior Segment Surgery

Fine toothed forceps for grasping iris and delicate anterior segment tissue.

|           |                                                |
|-----------|------------------------------------------------|
| Material  | Stainless Steel, Titanium                      |
| Finish    | Satin Finish, Matte Finish                     |
| Sizes     | Standard                                       |
| Custom    | Sizes, finishes, marking, packaging            |
| Packaging | Standard / Individual / Custom / Private-label |
| MOQ       | Confirm in RFQ                                 |
| Lead time | Confirm in RFQ                                 |

◆ CUSTOMIZABLE ◆ OEM / ODM

## Graefe Fixation Forceps

Code: MS-EYE-014 | Ophthalmic Forceps | Ophthalmic Surgery

Fixation forceps with multiple fine teeth for a firm scleral and conjunctival grip.

|           |                                                |
|-----------|------------------------------------------------|
| Material  | Stainless Steel                                |
| Finish    | Satin Finish                                   |
| Sizes     | Standard                                       |
| Custom    | Sizes, finishes, marking, packaging            |
| Packaging | Standard / Individual / Custom / Private-label |
| MOQ       | Confirm in RFQ                                 |
| Lead time | Confirm in RFQ                                 |

◆ CUSTOMIZABLE ◆ OEM / ODM

### Castroviejo Needle Holder — Straight / Curved

Code: MS-EYE-015 | Needle Holders | Ophthalmic Suturing

Micro needle holder with a positive locking catch for ophthalmic suturing.

|           |                                                |

| Custom    | Sizes, finishes, marking, packaging            |
| Packaging | Standard / Individual / Custom / Private-label |
| MOQ       | Confirm in RFQ                                 |
| Lead time | Confirm in RFQ                                 |

◆ CUSTOMIZABLE ◆ OEM / ODM

## Graefe Muscle Hook

**Code: MS-EYE-017 | Ophthalmic Hooks | Strabismus Surgery**

Grooved hook for isolating, lifting and manipulating extraocular muscles.

|                  |                                                |
|------------------|------------------------------------------------|
| <b>Material</b>  | Stainless Steel                                |
| <b>Finish</b>    | Satin Finish                                   |
| <b>Sizes</b>     | Standard                                       |
| <b>Custom</b>    | Sizes, finishes, marking, packaging            |
| <b>Packaging</b> | Standard / Individual / Custom / Private-label |
| <b>MOQ</b>       | Confirm in RFQ                                 |
| <b>Lead time</b> | Confirm in RFQ                                 |

◆ CUSTOMIZABLE ◆ OEM / ODM

## Iris / Cyclodialysis Spatula

**Code: MS-EYE-018 | Spatulas | Anterior Segment Surgery**

Double-ended spatula for iris manipulation and cyclodialysis procedures.

|                  |                                                |
|------------------|------------------------------------------------|
| <b>Material</b>  | Stainless Steel                                |
| <b>Finish</b>    | Satin Finish                                   |
| <b>Sizes</b>     | Standard                                       |
| <b>Custom</b>    | Sizes, finishes, marking, packaging            |
| <b>Packaging</b> | Standard / Individual / Custom / Private-label |
| <b>MOQ</b>       | Confirm in RFQ                                 |
| <b>Lead time</b> | Confirm in RFQ                                 |

◆ CUSTOMIZABLE ◆ OEM / ODM

## Lens Loop (Vectis)

Code: MS-EYE-019 | Lens Manipulators | Cataract Surgery

Smooth lens loop for lens expression and intraocular lens manipulation.

|           |                                                |
